Hi John,

We would very much like to participate in the discussion. Unfortunately, we have an all-hands meeting from 10 to noon, so we would need to have our discussion at the beginning of your meeting.

Please let us know if this will work or if we need to make other arrangements for a discussion.

Thank you,

Bob

Bob

Greer Lundquist has been reviewing the files for Tower Standard and other sites in the area. We will be discussing whether there is sufficient information to reopen the site with the Northern Region Closure Committee at their meeting on Thursday morning February 6th. We would welcome your participation if you are available. Let me know if you are interested and are available any time between 9:30 and noon.
